Ms Lanlan and Hua's brother were kept for investigation, kids like us were let go.
Hua Her Majesty thumbed up to me I had a very complicated feeling
Hahahaha!

It's just until th... very end, I still don't know what happened between Dawei, Hua's brother and Ms Lanlan...

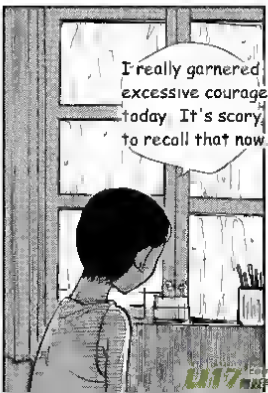
Ming-ming! You're very late today!

Where have you been in the rain instead of coming back?

Seriously, kids are crazier and crazier when playing ever since two-day weekend is introduced
Don't you have one day more already? Do your homework now, dinner will start in a while
OK! Ahaha

It took some more time to accompany Hua to the clinic. Luckily there's no big problems!

Phew---! What a messy day!



I really garnered excessive courage today. It's scary to recall that now.

Thank you very much! I don't know what will happen if you didn't bring the police
Not at all, the police station is nearby

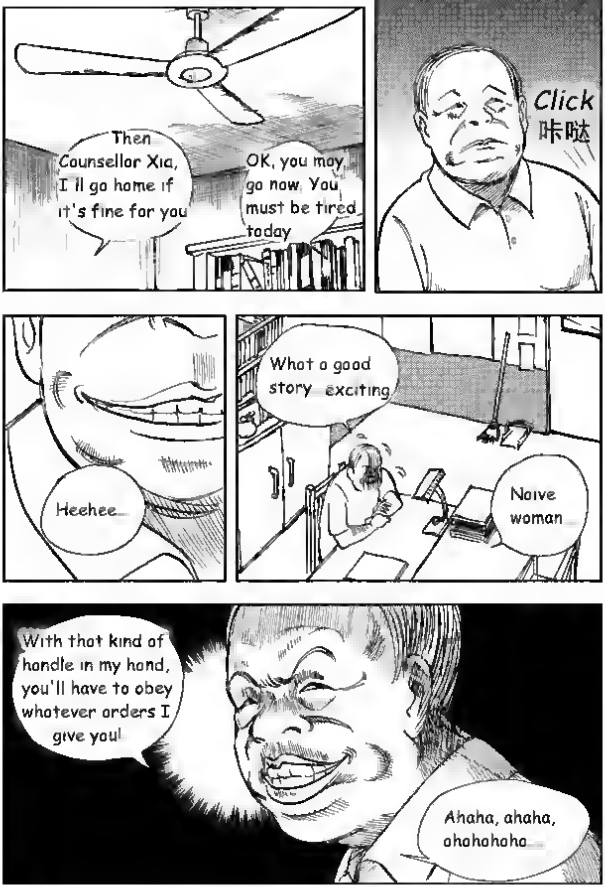
Oh! I was just trying to buy some food at the market by the park



Then Counsellor Xia, I'll go home if it's fine for you
